Learning Objectives

After completing this activity, the participant should be better able to:

- Recognize the importance of managing cardiovascular disease (CVD) residual risk beyond lowering LDL-C
- Discuss the contribution of triglyceride-rich lipoproteins (TGRL) in the formation of atherogenic plaques and eventual atherothrombosis
- Describe the anti-atherosclerotic properties of TGRL-lowering therapies
- Relate the clinical and genetic evidence for the association between elevated triglycerides/remnant lipoproteins and atherosclerosis

Target Audience

This activity is intended for Cardiologists (General), Clinical Cardiologists, Internal Medicine/Primary Care Physicians, NPs/PAs, Fellows, Nurses, and other healthcare professionals engaged in the management of CVD.

Parking

Chicago city parking is simple and secure at the covered garage with 600 spaces, with valet parking available for added convenience. Easily pay for self-parking at kiosks near garage elevators, with parking available for vehicles up to 6′3″. For additional details, please call the hotel at 312-567-1234.

This event is not part of the official Scientific Sessions as planned by the AHA Committee on Scientific Sessions Programming.

PIM Postgraduate Institute for Medicine

Medtelligence™

Jointly provided by Postgraduate Institute for Medicine and Medtelligence.

Supported by an independent educational grant from Amarin Pharma Inc.

Faculty

Peter Libby, MD, *Co-Chair*
Cardiovascular Medicine Specialist
Brigham and Women's Hospital
Mallinckrodt Professor of Medicine
Harvard Medical School
Boston, MA

Michael Miller, MD, *Co-Chair*
Professor of Cardiovascular Medicine, Epidemiology & Public Health
University of Maryland School of Medicine
Director, Center for Preventive Cardiology
University of Maryland Medical Center
Baltimore, MD

Deepak L. Bhatt, MD, MPH
Executive Director, Interventional Cardiovascular Programs
Brigham and Women's Hospital Heart & Vascular Center
Professor of Medicine
Harvard Medical School
Boston, MA

R. Preston Mason, PhD
Cardiovascular Division
Brigham and Women's Hospital
Harvard Medical School
Boston, MA
Scientific Director and Founder
Elucida Research
Beverly, MA

Børge G. Nordestgaard, MD, DMSc
Chief Physician in Clinical Biochemistry
Copenhagen University Hospital
Herlev, Denmark
Professor in Genetic Epidemiology
University of Copenhagen
Copenhagen, Denmark

TGRL Management

Program Overview

This innovative, highly interactive, CME-certified symposium will feature a faculty of 5 leading experts who will address complex issues when treating patients with residual cardiovascular disease (CVD) risk, using triglyceride-rich lipoprotein (TGRL) science and management. Participants will be provided the opportunity to engage with the expert panelists to work through challenges faced by healthcare providers in caring for patients with elevated TGRL, many (or most) of whom have been sub-optimally managed.

Agenda

6:30 PM **Registration**

7:00 **Buffet Dinner**

7:00 **Program Overview**
Peter Libby, MD, Co-Chair, and Michael Miller, MD, Co-Chair

7:10 **Central Role of Triglyceride-rich Lipoproteins (TGRL) in CVD Residual Risk beyond Statin Therapy**
Børge G. Nordestgaard, MD, DMSc

7:35 **Biologic Basis for TGRL Modulation in Reducing Atherosclerosis**
R. Preston Mason, PhD

8:00 **Clinical Evidence on Reducing TGRL-based Residual Risk**
Deepak L. Bhatt, MD, MPH

8:25 **Challenging Issues in Lipid Management**
All Faculty

8:45 **Q & A**
Faculty and Audience

9:00 PM **Adjourn**

TGRL Management

Joint Accreditation Statement

JOINTLY ACCREDITED PROVIDER™ INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by the Postgraduate Institute for Medicine and Medtelligence. Postgraduate Institute for Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physician Continuing Medical Education

The Postgraduate Institute for Medicine designates this live activity for a maximum of 2.0 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure of Conflicts of Interest

Postgraduate Institute for Medicine (PIM) requires instructors, planners, managers, and other individuals who are in a position to control the content of this activity to disclose any real or apparent conflict of interest (COI) they may have as related to the content of this activity. All identified COI are thoroughly vetted and resolved according to PIM policy. PIM is committed to providing its learners with high quality activities and related materials that promote improvements or quality in healthcare and not a specific proprietary business interest of a commercial interest.

Americans with Disabilities Act

Event staff will be glad to assist you with any special needs (ie, physical, dietary, etc). Please contact Milly Marte prior to the live event at mmarte@medtelligence.net.

Fee Information

There is no fee for this educational activity.
